

# IFF Study: Overall Child Care Service Need, by Master Plan Area, 2013

## With Zip Codes, Detroit, MI

**Overall Service Need Rank**

- Top 25 % (Highest Additional Need)
- 25%- 50%
- 50% - 75%
- Bottom 25% (Lowest Additional Need)
- Zip Codes

Note: IFF studied the gap between the demand for child care services and the current supply and then ranked the amount of additional services needed by Master Plan areas. Sources: IFF, "The System We Need: A Neighborhood Snapshot of Early Childhood Education in Detroit.", 2013; Data Driven Detroit. Created November 2016.
